

# 4 Steps

**We on that seat belt tip, we on that seat belt tip, we on that seat belt tip, we on that seat belt tip.**

**First we sit, pull, cross and click, then tell our fam that we all strapped in**

**Let's ride, ride, ride, ride...**

**We on that seat belt tip.**

**Yeah! Click-clack that's the sound of the strap  
First you sit then you pull and bring it down to a slant**

**And, uh, don't trip we on that seat belt tip  
We equip around the hip before we dip up in the whip**

**And if you never heard it broken in steps of four before**

**I'm 'a show ya how the story go  
There was this girl named Dora that lived around the corner**

**Couldn't be more than 4'9" in height, maybe shorter**

**She told me 'bout a horror  
One day when she wore a seat belt and how she followed the steps within the order**

**See, someone hit her automobile but it's a corduroy low back booster chair that would support her**

**And her dreams of her sorta being an explorer or reporter in camcorders would have been a slaughter,**

**But she did just what she oughta the kid was a daughter of a father that applaud her  
'Cause now she's going farther 'cause she's smarter.**

**We on that seat belt tip, we on that seat belt tip, we on that seat belt tip, we on that seat belt tip.**

**First we sit, pull, cross and click, then tell our fam that we all strapped in**

**Let's ride, ride, ride, ride...**

**We on that seat belt tip.**

**We on that seatbelt tip  
In Chevy Impala that crome with the tent,  
Sitting, pulling and crossing till we hear a click**

**'Til we tell the fam that we all strap in  
Shouldn't hop in a ride without assist,  
I'm tell you about the kid and this is what he did,**

**His name Don C,  
He with his older brother V  
Who thought it would be live to roll up and down the street so,**

**Just got his license June of 15  
He told he li'l bro homie you rollin' with me  
So they jump in the vehicle,  
Moms says it's cool**

**Ho  
He wanted hop in the passenger's side with his big bro,**

**But he only nine and he not able to do so  
He got sit in the back with seatbelt,  
Gotta follow the four steps and**

**Yes, Yes,  
Keep him safe and protected with a strap chest, the S**

**We on that seat belt tip, we on that seat belt tip, we on that seat belt tip, we on that seat belt tip.**

**First we sit, pull, cross and click, then tell our fam that we all strapped in**

**Let's ride, ride, ride, ride...**

**We on that seat belt tip.**
